OPPOSITION TO TWO HUNDRED FOURTEENTH OMNIBUS OBJECTION TO
DISALLOW AND EXPUNGE CERTAIN FILED PROOFS OF CLAIMS

Dear Sirs,

On August 7th, 2007, I acquired LEHMAN BROTHERS HOLDINGS INC preferred stock which amounted to USD 18,000. As a result of the company's bankruptcy, such stock and its 6.9% annual interest are pending payment. The purchase of such stock was carried out through the banking institution Banco Itau Uruguay S.A., who was the bidder of the aforementioned stock at the time the operation took place and who currently manages such purchase.

The claim filed with the Bankruptcy Court should not be disallowed and expunged as it refers to the failure of the Debtors to fulfill their obligations. I am not aware of any other elements or proofs but those which I have already detailed and explained. I acquired the abovementioned stock in good faith and I believe there are no valid reasons why my lawful right to collect the debt should be impaired. Should there be any questions or concerns as regards my acquisition of the stock, I beg to refer to the previously mentioned banking institution: Banco Itau Uruguay S.A., Zabala 1463, Montevideo, Uruguay. Please find attached an extract thereof.

Any reply to my response must be sent to: Avda. Rivadavia 6346, PISO 2 A, CP 1406. Buenos Aires. ARGENTINA.

September 29, 2011.
